Electric, Gas, Water Utilities	✓	Telephone Crews	✓
Fire Departments	✓	Welding Booths	✓
Industrial Cleaning	✓	Storage Areas	✓
Manholes	✓	Vaul Cleaning	✓

Uni-P Vantix 3500 is by far the best heavy duty air mover in the market today. Built to circulate over 3,000 cubic feet of air per minute(CFM), while only drawing under 2.5 amps at 120 VAC while at high speed.

Uni-P Vantix 3500 designed to have a firm unit interlock for easy stacking and has a strong handle for easycarrying. Uni-P Vantix 3500 has a strong polypropylene housing to protect the unit from impact damage.

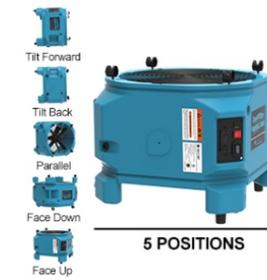

Uni-P Vantix 3500 is equipped with a circuit breaker to protect against a power surge. GFCI and the onboard duplex receptacle to protect the unit in wet or damp applications.
